

Travel 101: Samantha's Study Guide

Places to Love is a travel show that focuses on destinations, experiences and the people who make us feel like we are a part of a place.

These companion study guides foster opportunities for conversation and critical thinking. *A great question to ask at the end of every segment:* "What did that person (or group of people) do to connect with other people?"

For more study guides from *Places to Love*, visit <http://samantha-brown.com/study>
